Smiling faces, frowning faces, faces of triumph and defeat. These are the faces of 1982. Since "faces" best expresses the personality and spirit of Middletown High School, the 1982 Cavalier has chosen "Faces" as its theme. The yearbook staff hopes that the following pages will serve as memories of adventures and friendships made at Middletown High School.

Nancy DuPhily,
Editor

DEDICATION

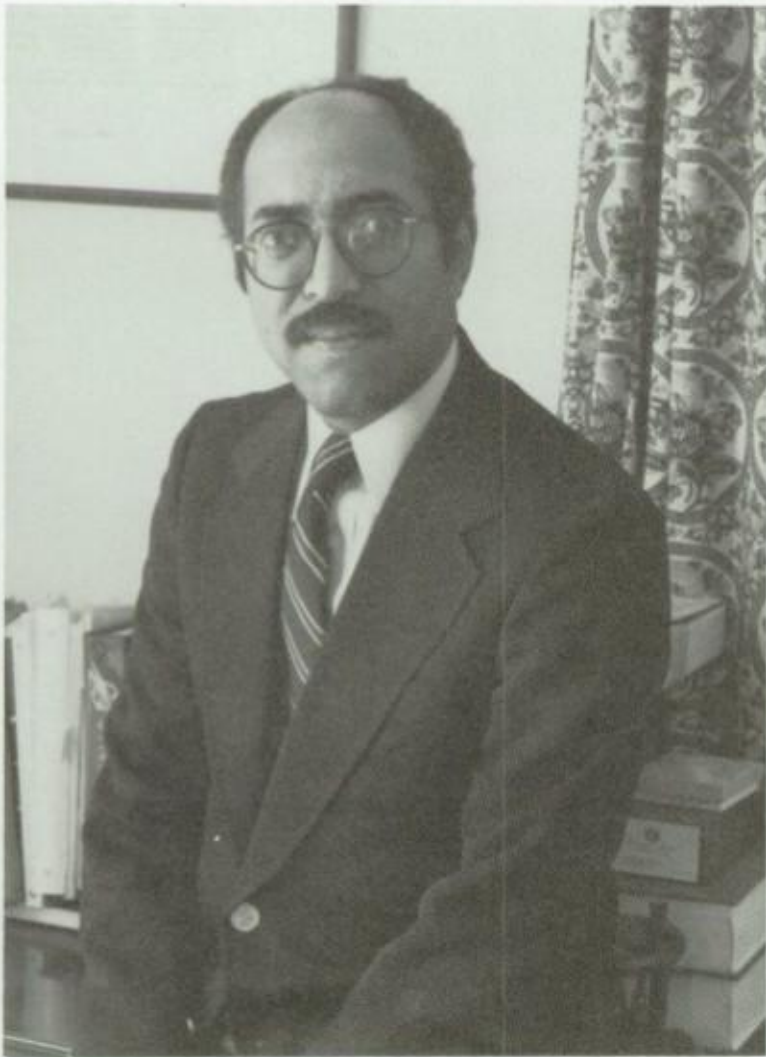

A face well known and loved is that of Mr. Norman Todd. He has devoted many years of unfaltering service to the maintenance of Middletown High School. Mr. Todd is responsible for preparing the athletic fields for events, keeping a clean appearance at Middletown High School, and making the school an enjoyable place to learn and grow. For these reasons, the 1982 Cavalier Yearbook staff wishes to dedicate this yearbook to Mr. Norman Todd.

STUDENT LIFE

HALLOWEEN

Every year at MHS we have a Halloween parade. The students and faculty participate in this event. The idea originated with Ms. McGee and Mrs. Singleton, and over the years has become a tradition. Pictured below are some of the masqueraders. Top left is Val Schofield dressed as a black cat. Top right is Romana Walls as a Punk

rockers. Bottom left is a picture of three of our faculty members, Mr. Leone as Little Lord Fauntleroy, Mrs. Kugel as the Devil, and Mrs. Singleton as Carmen Marinda. Bottom right are Lisa Bailey and Christine Poore as the bunnies and Eileen Burger and Donna Douglas as the clowns.

HOMECOMING 1981

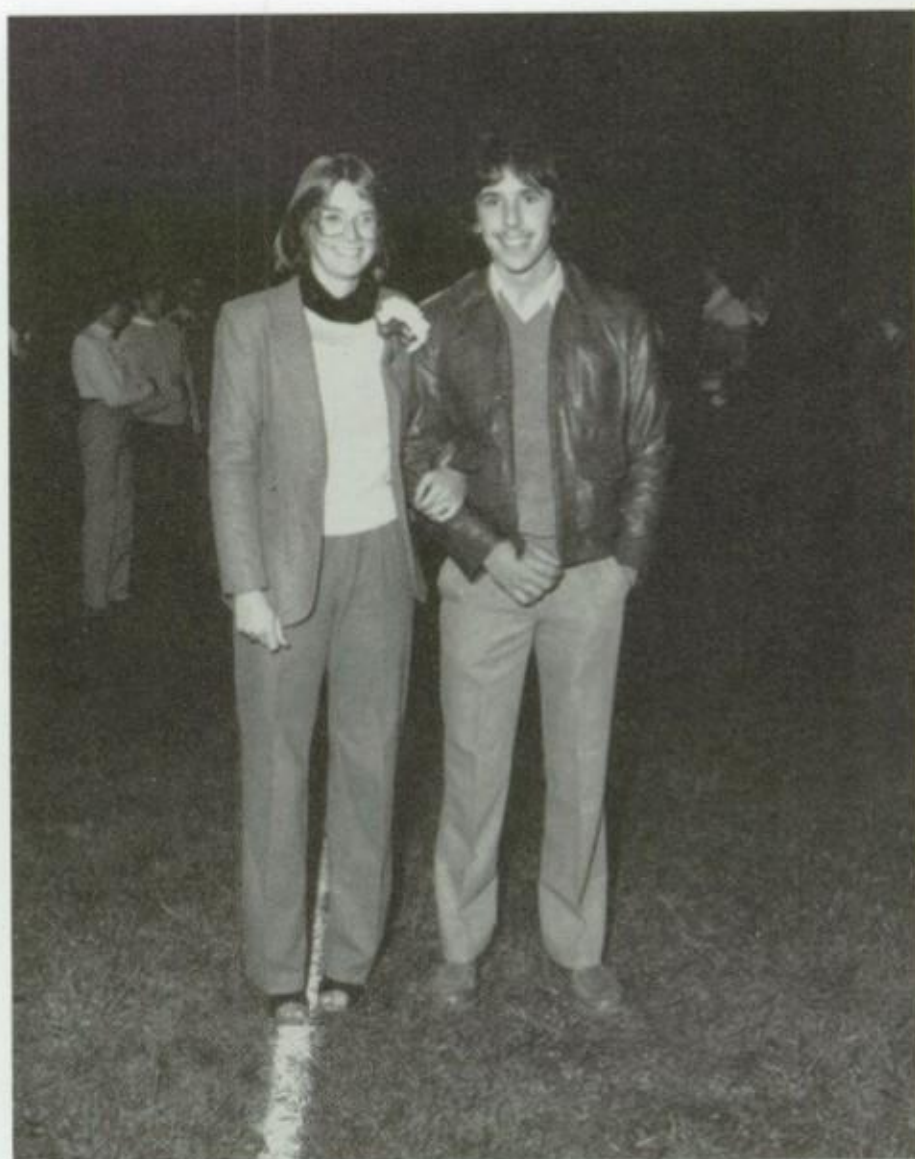

At left is Pauline Cain escorted by Chris Short. At right is Pauline Cain being crowned the 1981 Homecoming Queen by last year's Homecoming Queen, Terri Gravatt. Pictured below, left to right are: Nancy Cole, Shirley Brockson, Shani Harrigan, Pauline Cain, Jean Scott, Ruth Ann Thompson, Carol Wodjolak, Sandy Richie, and Debbie Biggs the 1981 Homecoming attendants.

Sandy Ritchie escorted by Don Ironside.

Shirley Brockson escorted by Mike Burris.

Carolyn Wodjolak escorted by Cliff Lloyd.

Debbie Biggs escorted by Gary Guseman.

Nancy Cole escorted by Ray Colyer.

The 1981 Homecoming winning float went to the Seniors of the Class of 1982, who put out a beautiful float in just three weeks. The second place float was entered by the Sophomores of the Class of 1984. All the floats were products of hard work and a lot of fun.

ASSEMBLIES

There were several good assemblies during the year. The Pepsi-Cola Company arrived at the crack of dawn in October for their multimedia investigation of science and science fiction. While students were just beginning to arrive, Mr.

Handlin and the stage crew were finishing the electrical leads to the projectors and sound equipment.

Sound equipment was again needed in November when the Air Force Jazz Band entertained. At first students thought that uniforms would

mean a dull assembly, but the sounds turned out to be songs that the students could relate to.

Not every assembly was held in the auditorium. Pep rallies again were held in the gym. The gym was also the scene of the precision drills

paced out by the Rising Sun Color Guard. Rifles in the air and twirling sabers were more than entertaining. The presentation was intended to boost interest in the MHS band front.

The chorus and the band per-

formed admirably well for the annual Christmas Concert. Perhaps the best thing to come out of their performance and the performance of the other groups is a growing tradition of excellent shows coupled with good audience conduct. We've

come a long way!

Pictured at the bottom left and right are members of the stage crew preparing for the Christmas Concert.

SKI-TRIP

This year's ski trip was filled with excitement and adventure. It was a learning experience for many, while just another day at the slopes for others. It was a four day excursion to the snow-capped mountains of New York state. Skiing was not the only activity of the trip. Other activities included indoor swimming,

disco dancing and a pizza party. Although the students enjoyed the skiing they also enjoyed the atmosphere at the resort.

The teachers went on a separate trip the weekend after the student trip. It was very enjoyable for all except Mrs. Singleton, who skied every five feet and fell down and

decided to try her luck with maniac snowmobile drivers. Mrs. Kugel had a brush with fate when she had mechanical failure and ran into a building which gave her much pain. All in all, both trips were a success and already people are talking about next year's trip.

DECA

The Distributive Education Club of America (DECA) has been a part of Middletown High School for eight years. Mr. David Sechler, the club's advisor, has been with the club for six of those years. Since he has been here, Mr. Sechler has helped the club a great deal. He has helped the school store grow and has helped the students who run it grow in their knowledge of how to con-

duct a business.

Distributive Education is a three part course. The first part is the classroom experience where students learn the fundamentals of running a business and how it works. The second part is the club, DECA. Through DECA, students are able to run the store completely, putting into action the skills learned in the classroom. The third part is

Co-op. Here once again students put into action skills learned in the classroom and in the store.

DECA also participates in parades and other community activities. This well rounded program provides education through the benefits of experience, the classroom, and activities.

OFFICE EDUCATION ASSOCIATION

The Office Education Association is made up of students enrolled in business courses. While most members are not actively involved in club activities, several take part in the many opportunities offered to all members.

OEA members travel to both in-state and out-of-state conferences participating in competition on regional and national levels. There are competitions in shorthand, typing, dictation, parliamentary procedures and public speaking. Eileen Burger, the club president, has consistently placed high in these competitions.

In order to raise funds for club activities, members sell cookies and candy bars.

FOOTBALL

The 1981 football was a rebuilding year under new head coach Baxter Weber. This is his first year at Middletown after leaving as head coach at Dover AFB High School. The Cavaliers opened up the new season with a loss to

Glasgow. The season still looked promising after a good showing of the defense. The Cavaliers then traveled to Dickinson and faced another defeat. Both of these losses came at the hands of two flight A power houses. Middletown then faced conference rival Howard, with our of-

fense scoring 40 points and our defense allowing none. This was the Cavaliers' first victory of the season. The Cavaliers then traveled to Wilmington where they were defeated by the Red Devils by two points. Then came Homecoming where the Cavaliers dropped another conference

game. The second win of the season came at Claymont. This made the Cavaliers 2-4 and still with hope of having a winning season. McKean came to Middletown, handing the Cavaliers their fifth loss of the season. Middletown dropped to 2-6 after playing perhaps their worst game of

the year against A. I. DuPont. The Cavaliers then played their last game of the season against Brandywine, another flight A school. The Cavaliers played a very hard fought game though losing their seventh of the season. This made the Cavaliers' overall record 2-7.

BOYS' BASKETBALL

The 1981-82 Lady Cav's did not have a winning season with the record of 3-12. The team consisted of a lot of older talent, such as, Debbie Gonce, Crystal Connors, Gwen Waters, Janine Shultze, and Jennifer Allen. The young talent will promise for better years to come with soph-

omore, Nadine Blackston, who led the team with high scores. Her sister, Johnette, and Sherry Daniels, and Chris Shilling will lead the Cavs. Coach Harvey Harvey enjoyed coaching and being with the Lady Cavs through their season. It was a challenging experience for him with not having coached a girl's team before.

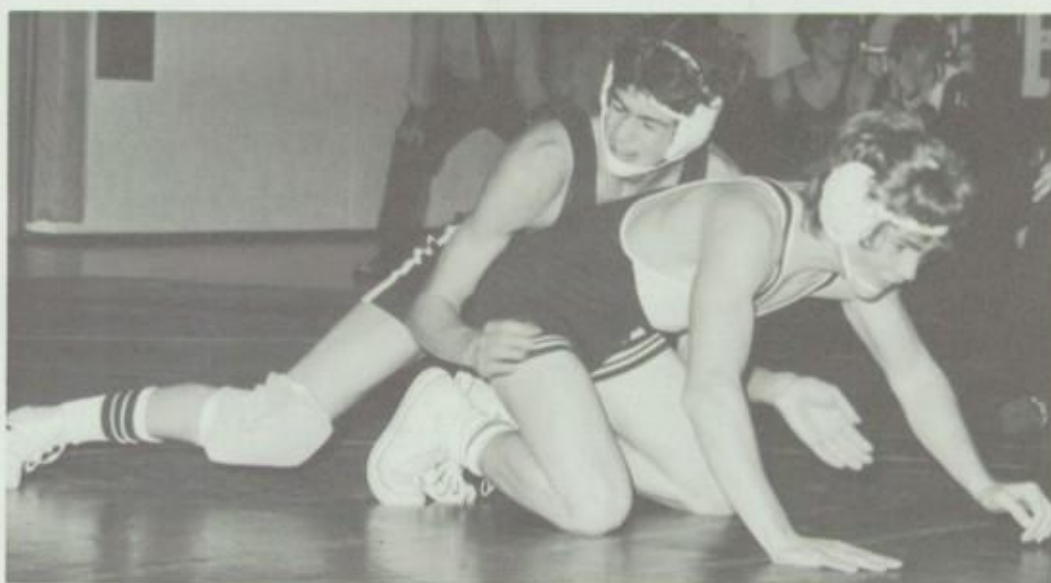

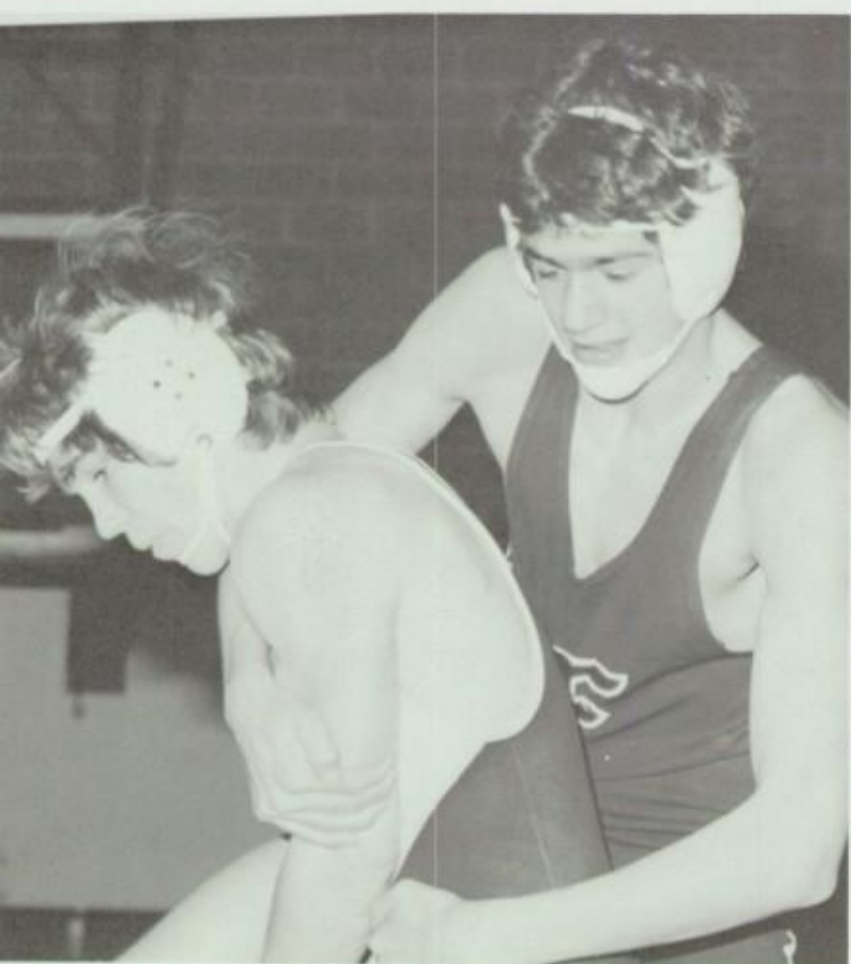

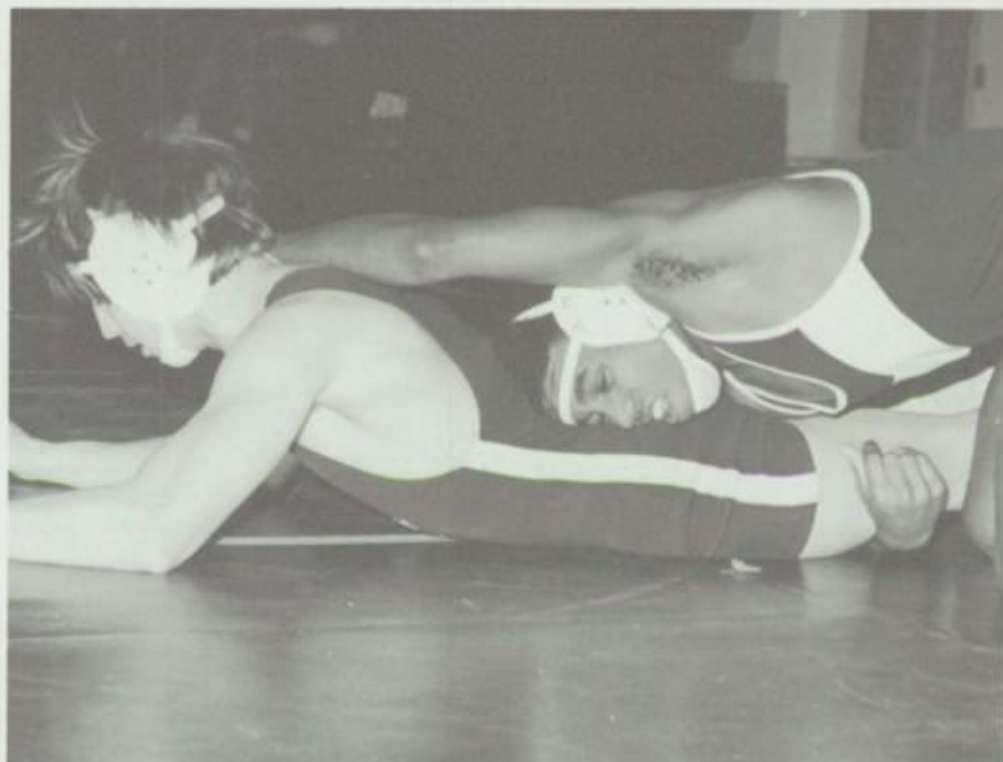

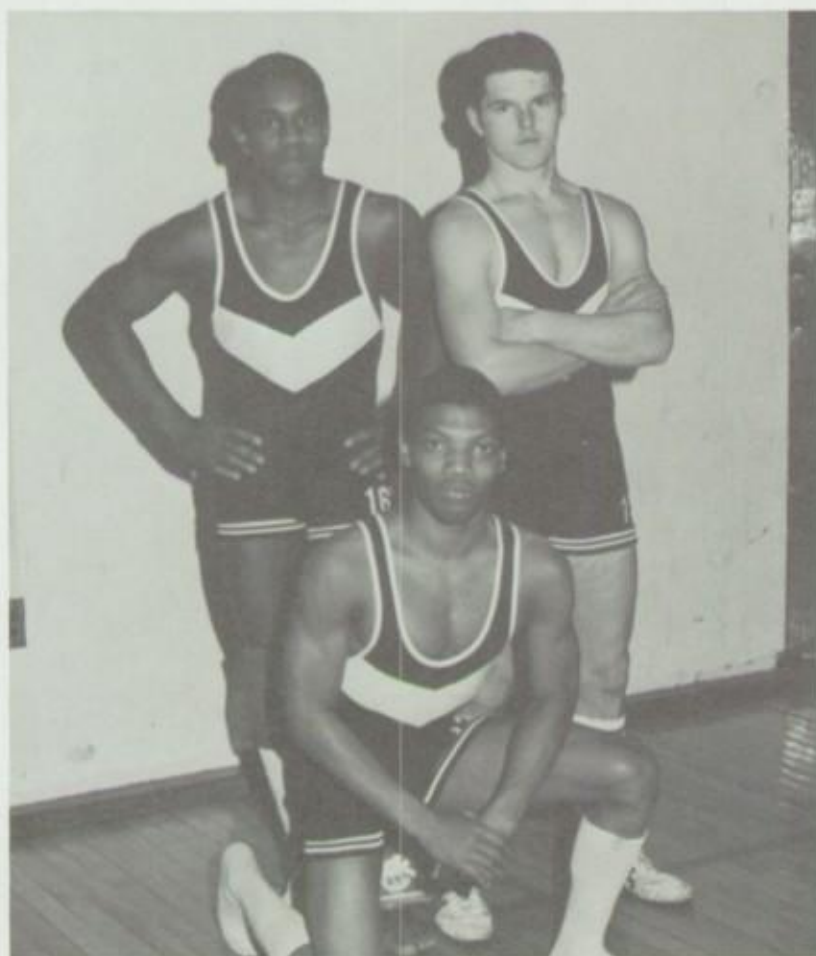

WRESTLING

Standing first row left to right: Rufus Briscoe, John Yearwood, Bobby Davis, Earnest Garrett, Nelson Faulkner, and Demeitris Yellowday. SPORTS GALLERY

These next few pages reflect the brilliant and talented performances of M.H.S. athletes of 1982. The Cavaliers have been through triumphs and defeats. For the last few years the several M.H.S. sports and fine talented athletes have given Middletown a good competitive

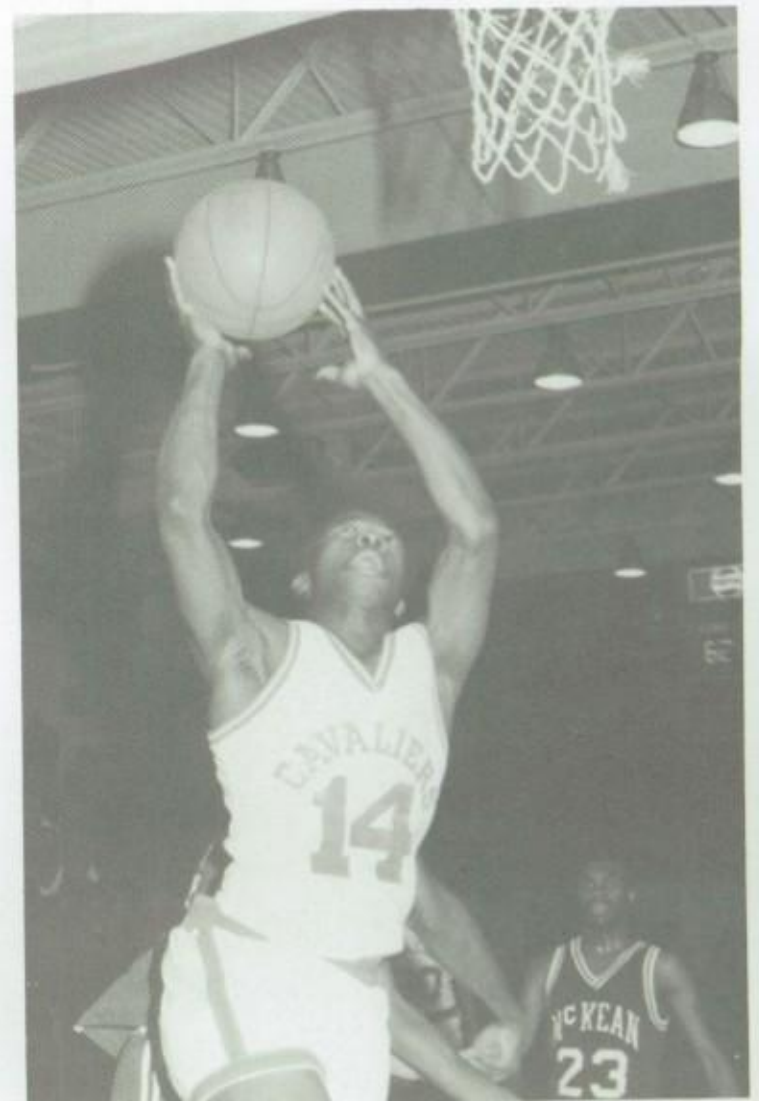

name. This competitive name will live on through many years to come with the young talent that we have.

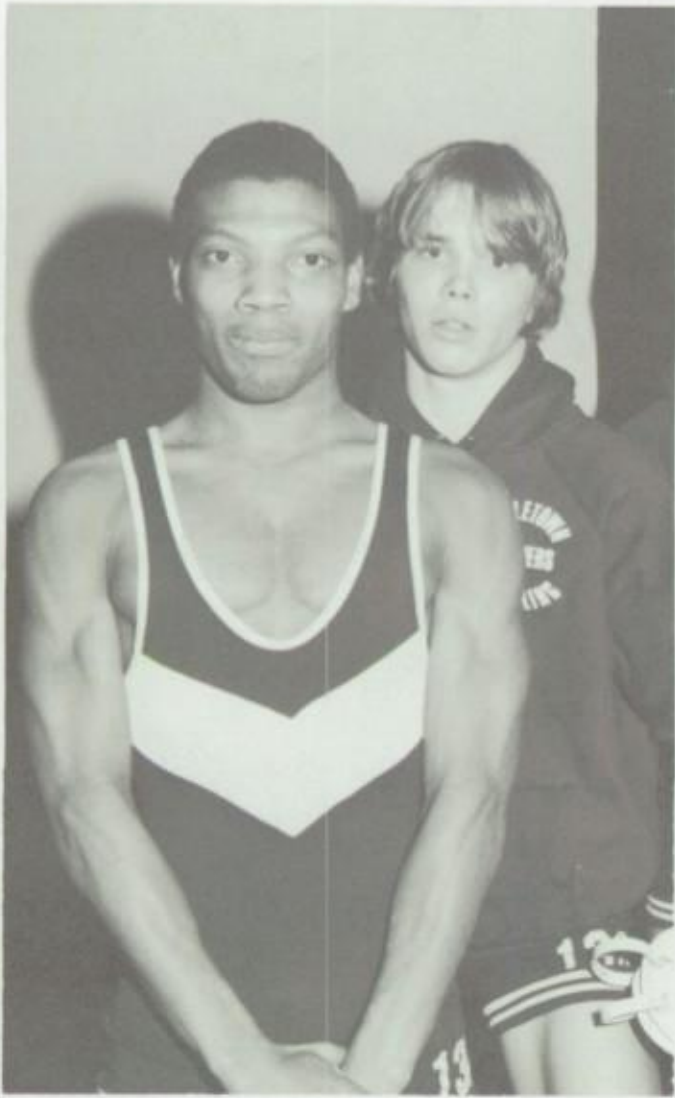

We, all as athletes and students, are proud of Middletown High's achievements in the various sports and the honors that the especially talented athletes have brought to

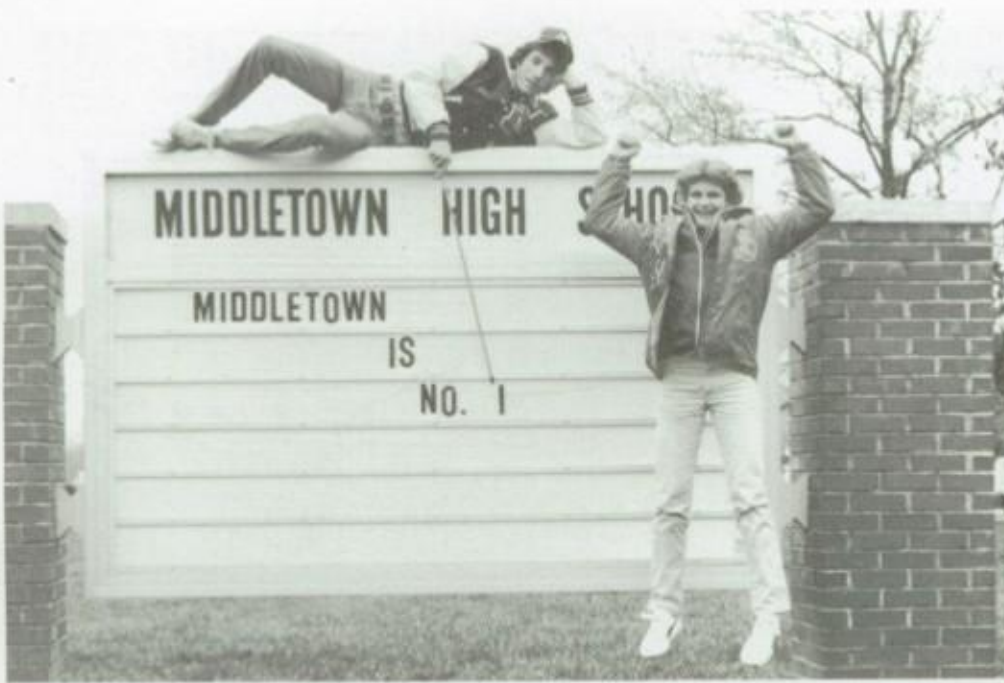

Middletown. We all are from Middletown High, and we should be proud of it. We are the CAVALIERS!
